

Gotham Green Awards®

Gotham City Networking, Inc.®

November 21, 2023 Winners Celebrated

...Gotham Gives Back to the Planet

As Gothamites we work and live by the motto: **It's better to give than receive, but what goes around, comes around.®** This motto enables us to make a difference for our clients and customers, our families and friends, the organizations we support, our communities and the world around us. On **November 21, 2023** (at 4:00 p.m. via Zoom, Gotham City Networking, Inc.® ("Gotham") and its **GOtham GREEN®** group will make a difference in our communities and the world by celebrating people and organizations, Gotham members and non-Gotham members, who are working in ways big and small; for-profit and not-for-profit, to make the world a little **greener**. We do this by recognizing people, businesses and organizations that work on environmentally sustainable initiatives and projects. How do we do this? By awarding the **Gotham Green Awards®**!

Who/what is eligible to be recognized with the Gotham Green Awards®?

We have three categories of recognition for organizations, whether or not they are Gotham Members:

- **Green Business or Green Initiative** – For businesses whose core message and products are green in concept and/or sustainable.
- **Green product, program or building** - For businesses that have produced, planned or created a singular item that is green and sustainable.
- **Green/Sustainable non-profit organization** - For non-profit organizations that focus on or have created a program or product that they believe contributes to the global sustainability effort.

What are the Gotham Green Awards®?

They haven't all been finalized yet, but... they include a free Gotham membership for one year (which has a value of up to \$950), recognition and the awardees' ability to use the award logo on their materials.

How can I participate? You can:
